Evolution
Tim Neumark • Solo Piano, Op. 11

Evolution

Solo Piano, Op. 11

To err is human; sometimes life needs an Undo button. Personal evolution is rarely a straight line, and this album captures several moments in my life where I wish I had made a different choice or experienced things differently. With its cryptic track titles and abstract artwork, this album doesn't reveal my innermost secrets directly, but the process of writing these tracks has been quite therapeutic. I hope you will enjoy *Evolution.* - Tim Neumark

1. Runner 4:04
2. Traveler 4:53
3. Younger 3:34
4. Flour 4:42
5. Greener 5:08
